Express Repair Participant to Arrange Direct Rental Reservation with ICBC Preferred Rental Supplier

Customer to Arrange Rental Reservation with Alternate Rental Supplier

Comments:
Details of customers
additional rental needs

Complete and submit a CL113F to the handling Claim Centre (as outlined in the Express Repair Program Guide) when Express Repair Participant determines they are unable to satisfy a customer (with access to coverage for expenses incurred in renting a replacement vehicle) through ATS.

If ICBC has not received a CL113F as outlined in the Express Repair Guide, then the participant must meet all of the customer's alternate transportation needs for the duration of the repair.
